DETAILED ACTION

Allowable Subject Matter

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest, alone or in a combination, among other things, at least a receiver and its method for assigning bit metrics for a algebraic decoding as a whole, the combination of elements and features, which includes a decoder generating a first set of bit metrics for a first phase of the receiver which is related to the most significant bits of the received symbols in a received word generated by a detector and a second set of bit metrics for a second phase of the receiver which is related to the least significant bits of the received symbols in the received word, and further the decoder identifying the least reliable bits in the received word based on one of the first and second sets of bit metrics.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Edith M. Chang whose telephone number is 571-272-3041. The examiner can normally be reached on M-F.
